

# Application Form

Master of Science Programme “**Bioinformatics and Systems Biology**”

<b>Application for</b>	
Fall term (October) 20____	deadline: 15 July

<b>Personal Data</b>	
Last Name(s)	First Name(s)
Nationality	male <input type="checkbox"/> female <input type="checkbox"/>
Date of birth	Place of birth
Native language	Other languages

<b>Home Address</b>	<b>Contact address (used for future correspondence)</b>
Country	Country
Phone/Fax	Phone/Fax
e-mail	e-mail

<b>How did you get to know about this program?</b>			
<input type="checkbox"/> DAAD	<input type="checkbox"/> Goethe Institute	<input type="checkbox"/> Recruiting Fair	<input type="checkbox"/> Friend
<input type="checkbox"/> Internet: <a href="http://www.">www.</a> _____		<input type="checkbox"/> Other _____	

<b>Previous university studies</b>				
title	university or college	studies from...to...	degree obtained	Final grade (CGPA or %)

→ Full-time student for \_\_\_\_ years.

<b>Please describe your main subjects of study</b>	<b>Please describe your extra curricular activities and interests</b>
<b>Please describe other university or college education you may have received</b>	

<b>German proficiency</b>	
<input type="checkbox"/> no knowledge <input type="checkbox"/> basic knowledge, hours: _____ <input type="checkbox"/> advanced knowledge, hours: _____	Certificates:

English proficiency	
native speaker	yes <input type="checkbox"/> no <input type="checkbox"/>
graduated from a full-time university or college programme for which the language of instruction was English	yes <input type="checkbox"/> no <input type="checkbox"/>
I have the TOEFL result _____ paper-based <input type="checkbox"/> computer-based <input type="checkbox"/>	yes <input type="checkbox"/> no <input type="checkbox"/>
I have taken another English language competency test	
yes <input type="checkbox"/> no <input type="checkbox"/>	
Certificates: _____	

### Statement of purpose

On a separate sheet and not exceeding one page, please state in your own words why you are applying to the MSc. Bioinformatics Programme, and how you hope to benefit from it. Be specific about your interests in the field, and inform us about your future plans after completion of the programme. Please note that this Statement of Purpose is extremely important for the admission committee and for your application process.

### Checklist

Please, enclose the following officially certified and translated (if documents are not in German, English or French) copies:

- previous education certificates (degrees, transcripts, diplomas, etc.),
- Evidence of English proficiency (TOEFL, IELTS or Cambridge test results, etc.)

Moreover, please add the following documents to your application:

- A filled-in **application form including this checklist**
- Curriculum Vitae** in English or German, including a description of extracurricular activities
- A detailed **statement of purpose**
- Detailed **transcripts** that show a listing of all courses that you took up to your Bachelor's degree, the grades that you obtained, and, if available ranking within your class
- Transcripts** of any other post-secondary studies, if applicable
- Evidence of **German proficiency** (DSH or Test DaF)

With the signature below the applicant declares that all the statements on this form are complete and correct:
